

We get
U

We're all about that personal connection.

Medicare Annual Enrollment is here and more than ever it's important to know if your healthcare coverage still meets your needs. At WesternU Health, we support your health by utilizing an advanced electronic health record, national best practices, modern facilities, and academic research to ensure you achieve your goals to stay healthy and strong.

We offer specialized services that include Endocrinology, Infectious Disease, Nephrology, Rheumatology, Podiatry and Ophthalmology/ Optometry, Neuromusculoskeletal Medicine/Osteopathic Manipulative Medicine, and Physical Medicine and Rehabilitation.

WesternU Health | Pomona
